To: Mr. Kofi Annan  
The Secretary-General of United Nations

Subject: Call to protect Ahwazi citizens.

Mr. Annan,

According to the on going demonstration of Ahwazi citizens, we are The National Liberation Movement of Ahwaz (NLMA) claim United Nations to protect our Arabic Ahwazi people from the Iranian regime which is attempting to destroy the whole natives of Al-Ahwaz without distinguish of children, seniors, and young people. We are asking the United Nations to take a serious action towards this disaster that upon our people.

Iranian regime has stopped all media and newspapers inside Iran that had been trying to cover these proceedings because they have been killing them on the streets before the international media to get in Ahwaz. Moreover, Iranian government is giving an order to all hospitals in the region of Al-Ahwaz to avoid giving injury people of this demonstration any medicine as well as curing them.

Thus, all Ahwazi citizens asking Secretary-General, Kofi Annan, to have an international consideration towards what is happening in Ahwaz.

Sincerely,

Seyed Taher Al-seyed Naama  
The Voice-President Of  
The National Liberation Movement of Ahwaz (NLMA)
